

Leaf it to Cubs

Cub Scouts will learn about the wonders of nature's gift to us—a tree! They will learn to identify trees by their shape and leaf design and learn how trees are used to help them in their daily lives. Boys and their families can adopt a tree or plant one and watch it grow. Dens or packs could participate in the local Arbor Day activities, or visit a nature center, forest preserve, or local park. Cub Scouts can work on the Collecting belt loop and pin.

A Poem for Roundtable

By Joyce Kilmer, "Trees", 1914

I think that I shall never see
A poem lovely as a tree.
A tree whose hungry mouth is pressed
Against the earth's sweet flowing breast;
A tree that looks at God all day
And lifts her leafy arms to pray;
A tree that may in summer wear
A nest of robins in her hair;
Upon whose bosom snow has lain;
Who intimately lives with rain.
Poems are written by fools like me,
But only God can make a tree.

Notes

**Roundtable 2008
El Camino Real District**

10 April 2008
